The invisible kingdom : from the tips of our fingers to ...
The Invisible Kingdom is a charming introduction to microbiology. The author is clearly very knowledgeable and is also quite funny. I noticed other reviewers criticized the book for its humour (science is
SERIOUS BUSINESS) but I think the jokes were cute/clever and done in an approachable but not over-the-top way.

The Invisible Kingdom. And from it, just as from the atmosphere around us, comes blessings that make human life happy and even
possible—blessings such as joy, love, and peace; hope, trust, and power. Without that invisible spiritual kingdom, human life would be mere animal life devoid of all these other qualities that make life worth living.

**Daily Devotion: The Invisible Kingdom (Gen 1:6-8)**

kingdom, the visible King and his invisible kingdom. As we come to Luke chapter 17 and verse 20, we are embarking into a very, very important and foundational subject. The subject is the kingdom of God with a particular emphasis on its future realization, its future consummation, its future fulfillment.
